v.)	SURRENDER DATE AND ORDER

Defendant.)	

Ms. Roth was sentenced to three months incarceration on September 16, 2005. She was ordered to turn herself in to BOP custody on October 14, 2005. She has not yet received formal notification on where she is to turn herself. I spoke to Dan Painter at BOP on this date and was told there might be a health problem that will disqualify her from being designated to Dublin FCI. Regardless of whether Ms. Roth's health problems keep her from being designated to Dublin, the paperwork to have her designated anywhere will not be completed by tomorrow according to Mr. Painter at BOP.

1 I have spoken to Ms. Roth about her health and we believe that the
2 problem BOP is talking about is that she has bulging disc's in her
3 neck. Ms. Roth advised my secretary on this date that she has been
4 seeing a neck specialist about this problem for the last six months.
5 The doctor has referred her to physical therapy and recently prescribed
6 a traction machine to pull her neck. She is awaiting delivery of this
7 machine. It is believed that if she continues the physical therapy and
8 uses the traction machine as prescribed, the problems will be
9 significantly diminished

10 Ms. Roth is requesting that this Court allow her to remain at
11 liberty to continue the ongoing physical therapy and to set a new self
12 surrender date of January 4, 2006 to turn herself in prior to 2 p.m.
13 This will also allow BOP the time it requires to further investigate
14 her medical needs and designate her accordingly. Counsel undersigned
15 has contacted Kymberly Smith, the Assistant United States Attorney
16 assigned to this case. Ms. Smith has no objection to this request.
